

Dear Kartik Sharma,

We are absolutely thrilled to extend to you an offer to become a Campus Ambassador for Renaissance 2025, MNNIT Allahabad — taking place on 1st and 2nd November 2025! As a member of our team, you will be at the forefront of promoting our festival on your campus and inspiring enthusiasm among your peers. This is a great opportunity to develop your leadership, communication, and management skills while gaining valuable experience in event planning and networking.

As part of this role, you will also be associated with the E-Cell, MNNIT Allahabad Campus Ambassador Program — one of the most reputed E-Cells in India. It's your chance to represent your college, connect with innovators and leaders across the country, and contribute to a club that carries MNNIT's strong legacy of entrepreneurship and excellence. You'll gain hands-on experience in leadership, event promotion, and teamwork, along with a Certificate of Appreciation and official recognition from E-Cell, MNNIT

While the internship primarily involves coordination and promotion at your college, you will remain a key part of Team Renaissance 2025. You'll also enjoy exciting incentives, exclusive goodies, and certificates — all based on performance.

We are confident that you will bring exceptional value to our team and help Renaissance 2025 reach new heights. We look forward to having you onboard for this exciting journey.

Regards,
Team Renaissance 2025
MNNIT Allahabad

Kavya Gupta
Event co-ordinator
